Milan Laser Hair Removal Celebrates Opening of 400th Clinic

Nation's largest hair removal provider achieves major milestone with coast-to-coast expansion

Omaha, NE — August 19, 2025 — [Milan Laser Hair Removal](https://www.milanlaser.com), the nation's largest laser hair removal provider, has officially opened its 400th clinic, marking a significant achievement in its rapid coast-to-coast expansion.

Founded in 2012 in the Omaha suburb of Papillion, Milan Laser **has grown to serve clients in 38 states**, establishing itself as the industry leader in permanent laser hair removal. The company's latest openings—Clinics No. 399 in Yulee, Florida, and No. 400 in Bangor, Maine—demonstrate its accelerating momentum, with half of its total clinics launched since 2022.

"Each new clinic is special, and seeing our 400th location open its doors serves as a reminder of how far Milan has come in such a short time," said **Clint Weiler, CEO of Milan Laser**. "It reflects our team's incredible dedication and hard work. We're proud of what we've accomplished—but even more excited about what lies ahead."

Co-founded by board-certified physicians and Omaha natives Dr. Shikhar Saxena and Dr. Abe Schumacher, Milan Laser has set the industry standard for permanent laser hair removal.

The company now employs over 1,900 people, including those at its recently relocated Omaha headquarters at **18020 Burt Street**.

"This milestone isn't just about growth; it's about delivering on our promise to make laser hair removal accessible to everyone," said **Dr. Saxena, Co-Executive Chairman**. "We're proud to lead this industry and remain focused on providing safe, personalized care to every client who walks through our doors."
